**DAN LUNGREN AND
THE SPECIAL INTERESTS
HAVE A GREAT
RELATIONSHIP.**

THE SPECIAL INTERESTS AND DAN LUNGREN HAVE EACH OTHER'S BACKS.

IT'S CLEAR DAN LUNGREN FOLLOWS THE MONEY WHEN HE:

- Wrote a bill to allow for unlimited political donations from corporate interests like Wall Street, Big Oil, and insurance giants.¹
- Took over \$1 million from Wall Street interests since he joined Congress,² and voted multiple times to let big banks off the hook for their abuses.³
- Voted to privatize Medicare, which benefits insurance companies and has taken \$197,564 from insurance executives and lobbyists.⁴
