What did the rest of us get? Nothing.

Wall Street gave Mary Bono Mack \$1,003,158.¹

She sided with Wall Street when she voted:

- to cut off help for unemployed homeowners while they look for work.²
- against helping homeowners refinance if they were under water.³
- to weaken regulations on Wall Street that could help prevent future foreclosure crises.⁴

Washington has changed Congresswoman Mary Bono Mack. Now we should make a change.
